

**VOLUNTEER APPLICATION**  
**MENDOCINO COMMUNITY LIBRARY**

Library members who have been a member for at least three (3) months are eligible to apply for training to become a Library Volunteer. There are at least 4 training sessions. The training committee evaluates each session and then decides whether to forward the application to the MCL Board for approval. After approval by the Board, the new volunteer will work with a Mentor for 6 months. Volunteers normally work 2-3 shifts a month, and are expected to attend the Semi-Annual meetings, and are encouraged to participate in special projects.
